

APPEAL NO. 042208
FILED OCTOBER 28, 2004

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on August 4, 2004. The hearing officer determined that respondent (claimant herein) sustained a compensable injury on _____; that the scope of the injury includes the left ankle; and that claimant had disability from April 8 through May 22, 2004. Appellant self-insured (carrier herein) appealed these determinations on sufficiency grounds. The file does not contain a response from claimant.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.

According to information provided by carrier, the true corporate name of the insurance carrier is **(a self-insured governmental entity)** and the name and address of its registered agent for service of process is
